Subject: The K9 Cancer Walk is Around the Corner!

Dear Sacramento Valley Dog Fanciers ,

Please join Morris Animal Foundation in the fight against canine cancer at the K9 Cancer Walk in Elk Grove, California at Elk Grove Regional Park on April 29, 2012. By supporting Morris Animal Foundation, you become a part of a 60-year effort to create a healthier tomorrow for dogs.

There are a number of ways in which you can support our groundbreaking efforts to prevent, treat and, ultimately, cure cancer in dogs.

- **Become a vendor or sponsor:** Vendor and Sponsor Opportunities are enclosed and can be mailed in, or you can reserve your spot online by [Clicking Here](#).
- **Participate:** Join as an onsite participant or a Sit & Stay virtual participant, make a donation or form a team.
- **Build awareness:** Display event fliers in your office and encourage your clients to register and/or start a team. Click on Additional Event Details on the left-hand side of the Web page to print the K9 Cancer Walk flier. You may also contact the office to order fliers and a K9 Cancer Walk display.

We urge you to come out and enjoy the day with colleagues, friends, family, and your beloved dogs! Additional information can be found at www.K9CancerWalk.org.

We are anticipating an incredible turnout, with an estimated 800 plus participants. With your help, our K9 Cancer Walk in Elk Grove can bring dogs around the world one step closer to a cure.
