

RENEWAL NOTICE

Sacramento Council of Dog Clubs

You are the Council!! Whether you spend a few minutes educating puppy buyers or take a more active role in working on SCDC committees and events, you still help to advance the Council's goals. We hope you'll continue to work with us.

We've got great plans for this year:

- * We are on-line. So many people are turning to the internet for information these days, that we can't afford to ignore this means of making our message known. Our web site is now up and running at www.sacramentodogcouncil.com. Check it often for a list of local dog-oriented events.
- * Naturally, we continue our traditional means of reaching the public. We have a voice mail box which receives hundreds of calls every month, and as always, we will be sending our annual directory -- the ***Pink Book*** -- to Valley veterinarians, grooming shops and pet supply stores. We remain the best way for Northern Californians to find reliable information about ethical breeding and responsible pet ownership.
- * We are planning a **Breed Showcase** and **Rally Match** and a **Fun Match/Show and Go**. The showcases help us reach a broad segment of the public, while the match helps keep us financially afloat. And, don't forget our annual **Symposium** -- experts present a variety of topics that allow breeders the opportunity to delve more deeply into issues that affect them and their dogs.
- * As always, we will continue to **monitor legislation** of importance to the dog fancy, and speak out on issues that concern us all.

If you think these are worthwhile tasks, support the Council with your dues. Mail your check (\$40.00 for your first breed, \$75.00 for all-breed or training clubs) to:

Sacramento Council of Dog Clubs'
P.O. Box 215126
Sacramento, CA 95821

Dues should be paid by August 31st. Please note: We try to make the *Pink Book* accurate. Last minute changes or renewals encourage mistakes. If you wish to be included in the *Pink Book*, you must renew by **October 1st**.

Want to get more involved? The Council is a volunteer organization with great goals, but we're always a little short-handed. If you have some time to spare, we can use you. Contact any Board Member or join us at the membership meeting (7:00PM, second Monday of the odd numbered months, SMUD Customer Service Center, 6301 S Street, Sacramento.
